

2022 Deercreek Dam Days Festival

Greetings from the 2022 Deercreek Dam Days Festival Committee,

It has been two years since our last event but we are excited to have the last two difficult years behind us. We look forward to what the future might bring and we are confident that will include a 2022 Deercreek Dam Days Festival that everyone will enjoy. We hope that you will be a part of the making this year a successful event.

The 2019 Deercreek Dam Days Festival was a huge success with one of the largest crowds we have seen in several years! We cannot say enough about those who continue to support our festival year after year. Sponsors are a large part of what keeps our small festival growing and we are always looking to add new sponsor partnerships. This year is more important than ever for sponsorship. We have had continued operating expenses but no revenue to help with those costs. We are hopeful that our community can help support us in getting back to where we were prior to the pandemic.

The 2022 festival will take place June 1st – 4th. As always, our event will continue to feature food vendors, rides, parades and great music entertainment. Friday and Saturday nights entertainment will be all new, so look for our official announcements coming soon! We are also planning some new things to add to the year's event. Lots of fun for all!

This is where we need your help!! FREE community events, like the Deercreek Dam Days Festival, simply cannot survive without support from businesses and entrepreneurs like you. Included with this letter you will find a sponsorship grid detailing the advertising benefits we can offer in return for your financial support. We hope you will partner with us to make this year's festival another memorable event.

Please feel free to contact any of the committee members below if you have ideas or suggestions on how we can enhance the festival or your business' involvement. Thank you and we hope you consider supporting the 2022 Deercreek Dam Days Festival.

Sincerely, The Deercreek Dam Days Festival Committee (501(c)(3) Non-Profit Organization)
